Decibel Viognier 2019

"For a Viognier, this is ***a relatively fresh example; while there's orange and nectarine,*** it avoids the opulent, rich peach spectrum, and the creamy, almost viscous palate doesn't veer into oiliness. There's a lick of phenolics (this is machine harvested to get some deliberate skin contact pre-ferment) providing additional structure to this normally low-acid variety. ***Clean, pure and zesty. Great drinkability.***"
