ABDIJ HERKENRODE ABBEY

Originated in a Belgian abbey in 1182, and today one the official world-renowned Belgian abbey beers, Herkenrode is the only beer of its type founded in a female monastery and still brewed today. Our unique history lives on in each of our Belgian abbey beers: Herkenrode Cister, Noctis, Vesper; each with a refined, individual taste, a subtle spicy note, and a touch of our ancestral herbal garden. Experience the living history of the unrivaled Herkenrode abbey beers.
