INFO: Known worldwide for multi-medal winning Delirium Tremens, Brasserie d'Huyghe now presents its new beer, Delirium Red.

Flavoured with cherry, Delirium Red completes the range of Delirium beers, pouring a deep claret topped by a tight head in its Delirium Beer Glass. It releases sweet and fruity aromas, a blend of sweet almonds and powerful cherry notes.

On the tongue, Delirium Red demonstrates a fine balance between sweet and bitter flavours, with strong red fruit and cherry notes. There is also a marked flavour of almonds, although the bitterness only reveals itself in the aftertaste.

The whole is relatively sweet and the alcohol remains discreet throughout the tasting despite an ABV of 8%.
