ICELANDIC WHITE ALE

Brewery info: The Einstök Brewery is located just 60 miles south of the Arctic Circle in the fishing port of Akureyri, Iceland. There, water flows from rain and prehistoric glaciers down the Hlíðarfjall Mountain and through lava fields, delivering the purest water on earth and the perfect foundation for brewing deliciously refreshing craft ales.

Our quest was to make the best white ale we ever tasted, with the complex flavors of a classic witbier, all brewed with pure Icelandic water for a cool smoothness that is deliciously refreshing.

Wheat malt, pilsner malt, oats, bavarian noble hops spiced with coriander and orange peel.

ABV: 5.2%

Tasting notes: A clean and crisp start with a smooth mouthfeel thanks to the oats, citrus and spice round out a refreshing finish.

Food pairings: The crisp, citrus and spice notes are the perfect complement to seafood, poultry, vegetarian dishes, Asian food, and spicy food, including Mexican, tapas, Indian and Thai.

All Einstök beers are 100% vegan, with no GMOs.
