

Perusini Ribolla Gialla

Colli Orientali del Friuli

This ancient native grape variety, **Ribolla Gialla**, has been recognized as one of the **BEST wines from Friuli, Italy**. This clonal selection has raised beyond measure the character of this wine. A markedly savory scent of steely minerality complemented by elegant floral aromatic of white blossom, The palate offers almond, sea salt and lemon flavors. Complex and elegant with a long finish. **Very expressive of the terroir. Pairs beautifully with fish.**
