

RAYUN

SAUVIGNON BLANC

THE WORD RAYUN COMES FROM THE LANGUAGE SPOKEN BY THE NATIVES PRIOR TO THE DISCOVERY OF AMERICA, MEANING "BLOSSOM"

This Sauvignon Blanc puts us instantly in Valparaiso with a plateful of fresh seafood and the cool ocean breezes just a tickle at your neck. Crisp and refreshing, with waves of lacy and limpid juice that suggest citrus and pineapple, this white just can't be beat on quality or on price.
