WINE ADVOCATE

The 2013 Valdehermoso Crianza contains the best grapes harvested in the challenging 2013 vintage, because they didn't bottle any of the rest of the Valderiz range. So this is a super-Valdehermoso that could be the best ever produced and a bargain in its segment. It's very harmonious and fresh, with elegance and poise, while keeping the power. The palate is medium to full-bodied, with good tension and freshness, and very fine and polished tannins. It's mainly Tempranillo with some white Albillo. **It's lively and intense. Super. And very good value, too!**
