

CAMP WINES

2020 ZINFANDEL

MENDOCINO

Camp Wines were created by the Hobo Wine Co. in 2011 to showcase the quality and value of Sonoma County wine. We work with top growers and vineyard managers in very high quality and responsibly farmed, though lesser known, vineyards throughout Sonoma County (and now Mendocino) to produce delicious, approachable, and affordable wines.

Like Hobo, the Camp wines employ native yeasts and malolactic bacterias for the primary and secondary fermentations without the use of commercial fermentation aids or additives. The wines are aged in real oak barrels and/or stainless steel tanks vs. alternatives or flavoring agents.

The 2020 Zinfandel is 83% Zinfandel, 10% Barbera, and 7% Carignane all from the Maria Martinson Ranch. Each lot was fully destemmed, leaving whole berries in the stainless steel tanks to promote a more fruit-driven, less extracted wine. Aging was in a combination of 3-8 year old French oak barrels. Ever bright and juicy, this Zin is fresh and satisfying without any heavy jammy, overripe characters that so often drag Zinfandel down.

NUMBERS

Harvest Dates: Sept. 14, 16, & 26

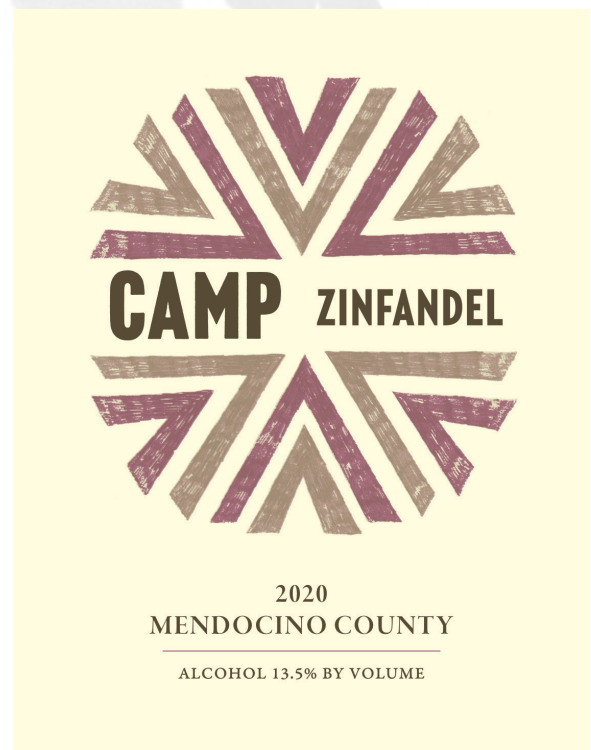

pH: 3.51

TA: 6.45 g/L

ALC: 13.5% by volume

R.S.: 0.01

PRODUCTION: 979 cases
