"Center of Gravity" our 12th vintage of Vecino Vineyard Potter Valley Pinot Noir is always among our favorites of the wines that we produce. We have lost 4 of the last 11 vintages to fire and/or smoke so each vintage that we bottle is precious. The drive into Potter Valley never gets old, it is Idyllic with it's old farmhouses, scattered vineyards, grazing livestock, and forested hillsides. I always feel a little of the weight of life lift when I make the turn from Hwy 20. More than ever, the crazier it all gets, the more true this is.
