2023 "CLOSER TO THE BONE" PINOT NOIR, VECINO VINEYARD, POTTER VALLEY

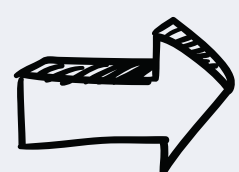

Vecino Vineyard

Certified organic by CCOF, the site sits 700 feet above sea level in the eel river watershed between Lake Pillsburg and Lake Mendocino

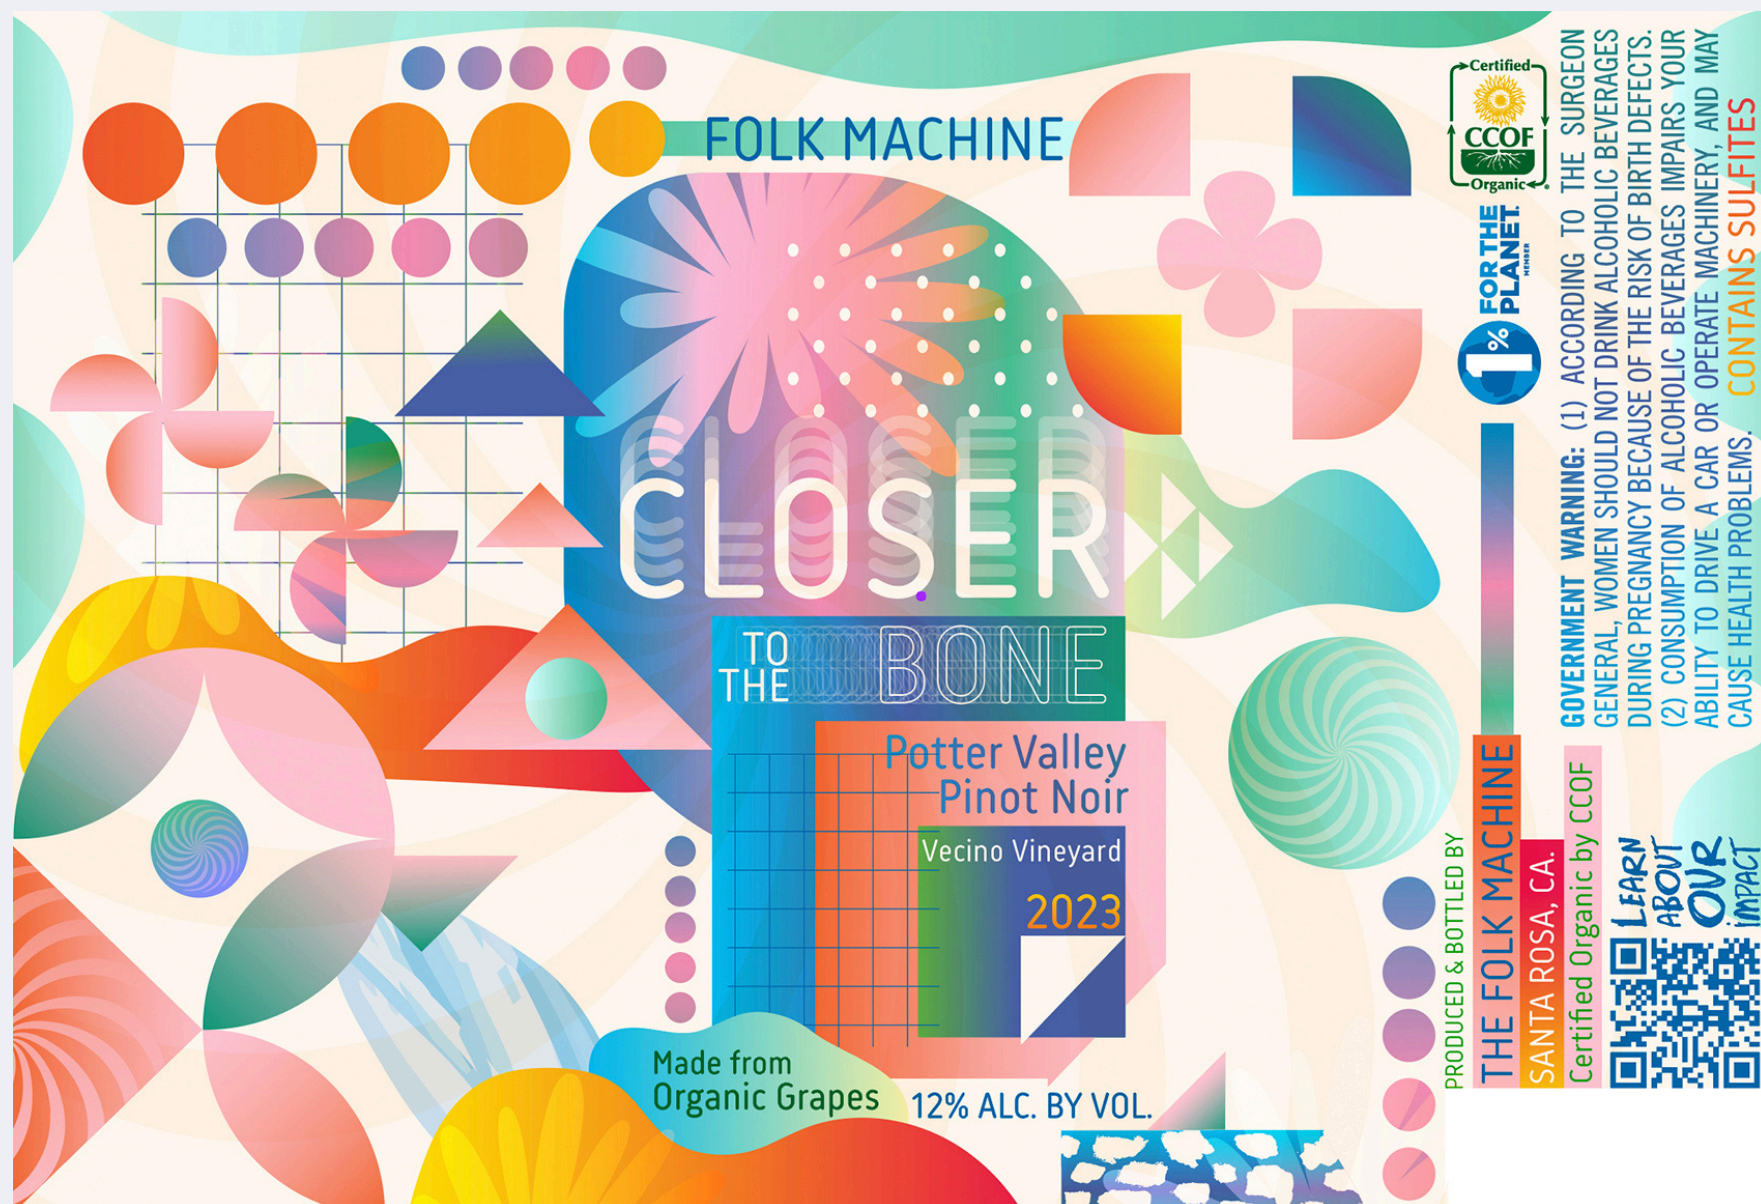

Luke Miller

is a good friend and a reliable diligent grape grower who is always thinking about his vineyard and how to improve farming and grape quality.

50% Pommard / 50% 115

Fermented with 70% whole clusters,/stems and uninoculated with no additions of any kind. Minimum extraction. Sur lies until bottling. Bottled unfiltered and unfined.

"Closer to the Bone" is our 15th vintage of Vecino Vineyard Potter Valley Pinot Noir. Since the stellar 2007, "Factories and Smoke" this wine has always been one of our favorites that we produce. Despite not necessarily having the hallmarks of a wine that ages well, the Vecino ages incredibly well and we have a lot of vintages in the bottle to prove it. The drive into Potter Valley never gets old, it is Idyllic with it's old farmhouses, scattered vineyards, grazing livestock, and forested hillsides. I always feel a little of the weight of life lift when I make the turn from Hwy 20. More than ever, the crazier it all gets, the more true this is.

pH - 3.62

TA - 6.40

EtOH - 12.0%

285 cases produced
