## CABERNET SAUVIGNON

*Slovenia*

**OVERVIEW:** Historically this is one of our most popular varietal wines. A beautiful aroma of blackberry, currants, herbs and spices with toasted oak notes marry well for a great overall impression. This is a wine of depth and rich full bodied flavors. Great with hard cheeses, roasts, steaks and grilled mushrooms.

**GEOGRAPHIC ORIGIN:** Goriska Brda in Slovenia

**HEIGHT ABOVE SEA LEVEL:** 80 – 200 m

**VARIETY:** 100% Cabernet Sauvignon

**FERMENTATION:** 100% in stainless steel

**MATURATION:** 50% in stainless steel, 50% French Oak
