

90 POINTS WINE ENTHUSIAST BEST BUY!

Banyan Gewurztraminer 2017

"This is a fascinating wine at all turns. The color is not darker than water, and the aromas are *extremely juicy with orange blossom, poached pear, bubblegum and gardenia* - one of the most aromatic bottlings around. The palate is bone dry with a chalky flavor and backbone, yet hints of bubblegum and plumeria give warmth."
