## JEB DUNNUCK

Château Beauchêne Grande  
Réserve Châteauneuf-du-Pape 2023

“Coming from galets roulés and red sandstone soils, the 2023 Châteauneuf Du Pape Grande Réserve is based on 60% Grenache, 25% Mourvèdre, and 15% Syrah, aged 18 months in demi-muids, older barrels, and stainless steel. **It shows a slightly more modern style with a kiss of classy wood in its red and black fruits, spicy herbs, and Provençal, peppery nuances.** Medium-bodied and balanced, it has good mid-palate concentration and ripe tannins. Drink 2025-2035.”
