### Brut Reserva 'Castelloig' 2022

"The 2022 Reserva Brut was produced with a blend of Xarel·lo, Macabeu, Parellada and Chardonnay that matured in bottle, where it refermented with lees for two year. It comes in at 12% alcohol, with **high acidity and freshness** and with some 6.1 grams of sugar (which has been reduced in the last few years). It has a bright yellow color and a bright and savory nose, **nuanced and complex**. It has a dry palate and some chalky sensations with a bitter twist in the finish."
