WINE ADVOCATE

Castellroig
Sabate i Coca Corpinnat
Brut Nature Josep Coca 2012

"The 2012 Josep Coca Brut Nature is a blend of 85% Xarello and 15% Macabeo that was aged for no less than 80 months. It comes from two soils that deliver grapes that are apt for a long aging due to their **very good acidity, bright aromas and high resistance to oxidation so that the wine evolves very slowly.** Like the rest of the range here, the wine has a strong stony sensation, and it's serious, austere and mineral. I also tasted the 2010 vintage of this wine to check the evolution, and it is very fresh, with a stronger stony sensation and doesn't show any oxidation."
