Château Bouscassé

Madiran 2018

“The 2018 Château Bouscassé, the first crafted entirely by Antoine Veiry, is a blend of 60% Tannat, 20% Cabernet Franc and 20% Cabernet Sauvignon matured 36 months in 20% new oak barrels. It displays **a complex, spicy bouquet with aromas of plum, licorice, black fruits and dark wild berries.** Medium to full-bodied, concentrated and layered, the wine tastes like the essence of Madiran with structuring, refined, velvety tannins and a seamless palate. It has a long and generous finish, making it **a wine with a remarkable potential for aging** (15-20 years and more).”
