BOURGOGNE CÔTE CHALONNAISE  
BUISSONNIER

With a fine pale golden hue, the nose is very fruity (grapefruit, lemon, citrus), with hints of honeysuckle and hawthorn. This wine has a clean, lively bite, with an aftertaste that is reminiscent of aniseed. A fine expression of Chardonnay.

An excellent starter wine that pairs well with fish tarts, seafood gratins, or grilled or marinated vegetables. More generally, it is excellent with escargot, white meats, and goat cheese.
