

Awesome French Value!

Cuvée Jean Paul Rouge & Blanc

This humble, classic Rhone red has hints of plums & strawberries with a touch of spice. This soft, medium bodied wine is uncomplicated, friendly & warming making it the perfect wine to pair with both light and rich foods.

A fresh nose of lime, basil, freshly cut green grass and guavas. The medium-bodied palate continues with more ***green fruits and flowers; figs and tobacco flowers.***

Quality • Drinkability • Tradition
