David Arthur Cab Sauv
Three Acre 2016

“The 2016 Cabernet Sauvignon Three Acre (there’s a small amount of Petit Verdot in the blend) is a beautiful, refined example of Pritchard Hill Cabernet. Deep ruby-colored, with a mountain hillside-like bouquet of wild scrub brush, crushed rocks, tobacco, dried herbs and both blue and black fruits, **it glides over the palate with medium to full-bodied richness, ultra-fine tannins, beautifully integrated acidity, and solid length.** It’s very much in the style of the 1147 release, but slightly less concentrated and majestic. Elegant, silky, and seamless, yet still with ample power, it’s a brilliant 2016 geared for those that love the **old-school, classic style of Napa Valley.** It will keep for 2+ decades.”
