## CABERNET SAUVIGNON 'THREE ACRE'

*Napa Valley*

Our “Three Acre” Napa Valley Cabernet Sauvignon, is sourced directly from a small three acre parcel that is planted exclusively to clone 337. This Vineyard is located directly in front of our winery. The Three Acre Cabernet Sauvignon style is one that is layered with elegance, power and depth.

**BARREL PROGRAM:** 92% New French oak

**BLEND:** 96% Cabernet Sauvignon, 2% Petite Verdot, 2% Cabernet Franc

**WINE CHEMISTRY:** Alc. v/v: 14.9%

**CASES PRODUCED:** 552 cases

**TASTING NOTES:** This wine has great intensity with a dark ruby red color offering aromas of cassis, black raspberry followed by subtle dusty-earth tones, floral notes of violets and hints of sage blossom and tobacco. The palate is forward, yet wound up with sweet fine grain tannins on the mid palate along with flavors of roasted coffee, baked cassis and dark chocolate.
