Domaine Alain Voge *Cornas*

Les Vieilles Vignes 2021

“Already bottled, the 2021 *Cornas Les Vieilles Vignes* is a tiny production cuvée that comes from a single parcel of very old vines. It’s more inward and reserved, with **beautiful darker, almost blue fruits as well as some gamey meats, liquid violets, ground pepper, and obvious mineral-like aromas and flavors.** Concentrated, medium to full-bodied, and beautifully balanced on the palate, it plays in the fresher, elegant style of the vintage yet has plenty of mid-palate depth, ripe tannins, and a great finish. It should benefit from 2-4 years of bottle age and evolve gracefully over the following 10-15 years. **It’s impressive.**”
