Cornas Les Vieilles Vignes 2022

“Straight-up classic Cornas from a mix of terroirs and older vines, the 2022 *Cornas Vieilles Vignes* has rocking cassis, violets, pepper, and exotic floral and incense-like aromatics. These carry to a medium to full-bodied, concentrated Cornas with the ripe, expressive, perfumed style of the vintage as well as the firmer, focused tannins that will benefit from bottle age. Do your best to give bottles 4-5 years and enjoy over the following decade. Drink 2029-2039.”
