Lewis Riesling 2014

“The 2014 Dunham 'Lewis Vineyard' Riesling is another gorgeous effort by Dunham. Having 1.4% residual sugar, the wine comes from Riesling vines planted in 2001 and 2002. This wine shows why the Lewis Vineyard has the reputation for being one of the best sites for Riesling in the state. The wine opens with aromatics of Gala apple, green papaya and hints of petroleum and starfruit. **There are flavors of lemon/lime, crushed wet rock, lemon zest and white peach. This has a gorgeous range of flavors and complexity.**”
