Pinot Noir

Santa Cruz County

The Ghostwriter is about Santa Cruz and it's many terroirs, old heritage vineyards, and the light, acid driven, pretty, perfumed style of wine that it is capable of. **A layer of spice on a base of cranberry & strawberry fruit that is expected from the Santa Cruz Mountains.** This wine is restrained and true to the appellation. **An accessible Pinot Noir now, but will age well for several years.** Bottled unfiltered and unfined.
