Jean-Marc Burgaud  
Morgon 'Côte du Py' 2023

"The 2023 Morgon Côte du Py is the blend from six hectares of parcels from various contour lines upon the hill. It has a complex bouquet with **mineral-driven red fruit, hints of iodine and pressed violet, wonderfully defined and focused.** The palate is medium-bodied with a sapid entry and firm backbone, but this exudes tension and energy. Veins of blood orange run through the composed and persistent finish. **Wonderful.**"
