Jean-Marc Burgaud  
Morgon 'Grands Cras' 2016

"Lurid ruby. Heady, mineral-accented red/blue fruit aromas show excellent clarity and pick up suave floral and incense notes with aeration. **Sweet and focused on the palate, offering intense boysenberry and raspberry flavors that deepen on the back half**, with no loss of urgency. Shows outstanding focus and mineral cut on a very long, spice-laced finish that's framed by supple, even tannins."
