## Keenan Cabernet Franc 2014

“Keenan has always done a knock-out job with their Cabernet Franc, and their 2014 Cabernet Franc from their estate vineyards on Spring Mountain (100% of this variety) shows **wonderful forest floor, white flowers, and raspberry and blueberry notes** that clearly suggest a cool climate wine. Medium to full-bodied, with a beautiful deep ruby/purple color, and terrific purity and texture, this is a beauty to drink now or cellar for another 10-15 years.”
