La Fiorita

Brunello Riserva 2016

“La Fiorita’s 2016 Brunello di Montalcino Riserva **leaves a lasting impression that is due to the purity and the depth of aromas** in part but is also due to the very high 15% alcohol. A little less alcoholic heat would be more conducive to the delicate and lifted aromas of Sangiovese. Fruit for the Riserva comes solely from the Pian Bossolino vineyard. This wine is instead all about brawn and muscle; as a result, you’re best off serving it with a creamy dish like steak smothered in mushroom sauce. A mere 3,200 bottles are hitting the market now.”
