La Fiorita

Rosso di Montalcino 2020

“The 2020 Rosso di Montalcino is darkly alluring, lifting from the glass with a **bouquet of crushed violets, blackberries and smoke**. Its silky textures soothe all that they touch, as ripe red and black fruits settle upon the senses. **There’s an elegance here not often found within the Rosso category**, as the 2020 tapers off lightly structured, leaving licorice and black currants nuances to linger.”
