Landmark Overlook
Pinot Noir 2017

“Coming from Monterey County, Santa Barbara, and Sonoma County, the 2017 Pinot Noir Overlook offers a slightly fresher, more vibrant perfume of candied cherries, violets, sappy herbs, and new leather. **Nicely textured, medium-bodied, with good acidity as well as length, it's a rock-solid value** that's ideal for drinking while you give the single vineyard cuvées a year or three in bottle.”
