

Le Cadeau

v i n e y a r d

Le Cadeau Vineyard wines are crafted from 100% estate-grown Pinot Noir & Chardonnay in the Chehalem Mountains AVA. Each small production cuvee is selected to represent the various clonal plantings, aspect, sunlight, and soil changes found throughout our 18 planted acres.

2019 “Diversité” Pinot Noir

The Diversité cuvee showcases the unique and diverse range of clones, soil, sunlight exposure found on the three Northern blocks of our estate vineyard. The Swiss Mariafeld clone in particular lends natural spice notes to the wine, which have become distinctive characteristics in this cuvee. The Diversité blocks range from heavily broken volcanic basalt on the NW corner, to the more lush Nekia soil of the NE corner.

“Dark strawberry with orange-peel and wet-earth aromas follow through to a full body with medium, creamy and round tannins and a savory finish. Beautiful, so delicious and polished. One for the cellar.” -James Suckling, 96 Points
