Les Darons 2022

“The 2022 Languedoc Les Darons brings more density and richness, with ripe **black cherries, wild strawberry, ground pepper, and floral notes** in a medium to full-bodied, pure, beautifully balanced package. The purity and balance here are top-notch. The blend is 70% Grenache, 25% Syrah, and the rest Carignan, from old vines, with the aging in concrete. ***This is going to be a smoking value.***”
