Cabernet Sauvignon 2020

“With a glimmering dark purple core with a light brick-orange rim in the glass, the 2020 Mount Veeder Cabernet Sauvignon features aromas of **blue plums, boysenberry pie, sweet baked vanilla, toasted cinnamon stick, and new leather**. The palate gifts additional notes of cassis, licorice root, and forest herbs. Grippy tannins need a year or so to soften, but the lovely acidity helps finish things off nicely.”
