Nicodemi *Le Murate*

Montepulciano d'Abruzzo 2022

“The 2022 Colline Teramane Montepulciano d'Abruzzo Le Murate is impossible to ignore. Its burst of **wild blueberries and sweet sage is complicated by hints of chalk dust and cocoa**. This is wonderfully fresh and vibrant in style, with pure wild berry fruits and violet pastille that resonate throughout. It tapers off long and is perfumed with **a liquid floral concentration, leaving traces of lavender and blue flowers** lingering. This lovely Montepulciano is refined entirely in stainless steel tanks. **It's a fantastic value.**”
