Montepulciano d'Abruzzo Colline Teramane Riserva 'Neromoro'

ITALY, ABRUZZO, COLLINE TERAMANE MONTEPULCIANO D'ABRUZZO
DOCG RISERVA

WINERY OVERVIEW

Fattoria Nicodemi is part of Abruzzo's first DOCG, Colline Teramane, a unique terroir just 6 miles (10 km) from the Adriatic Sea with 100% heirloom vines. The hilly estate covers a single plot of 38 hectares, of which 30 are under vine. The vines are planted in rich clay and limestone soils that give the wines the character the Nicodemis seek, benefiting from healthy day-night temperature ranges, and ventilation for ripening fruit.

Current generation siblings Elena and Alessandro Nicodemi took over the winery started by their father, Bruno, after his passing. Elena focuses on sales and oversees wine production. Alessandro manages administration and oversees the winery staff.

Each year, Nicodemi produces ~200,000 bottles using only estate grown grapes. Native varieties of Montepulciano and Trebbiano produce Montepulciano d'Abruzzo Colline Teramane DOCG and Trebbiano d'Abruzzo DOC. Organic Certification was achieved beginning with the 2019 vintage.

VINEYARD

Situated at 300 meters in altitude. Vines are trained Abruzzo pergola and planted at 1,600 plants/hectare. The vineyard age is more than 50 years old.

TERROIR

Medium textured limestone and clay soil

VITICULTURE

Average yield of 60 quintals/hectare. Harvest during the second half of October.

VINIFICATION

Destemming followed by maceration for 15–20 days, with fermentation in vertical vats.

AGING

Aged in new and second-fill barriques for 16–18 months. Racking, no fining and no filtration before bottling. Aged in bottle for an additional 6 months.

TASTING NOTES

Intense ruby red hues. A well-structured, well-balanced, persistent wine. An ample nose profile of blackberry, blueberry and blackcurrant notes, hints of red pepper and liquorice, nuanced with balsamic cues. A rich, stylish palate with a long finish.
