Cabernet Sauvignon | v. 2022

The 2022 Pursued by Bear Cabernet Sauvignon is bold and expressive, capturing the power and longevity of Washington State Cabernet. Subtle notes of cinnamon and clove lift delicate aromas of violet, blue fruit, and raspberry. The palate is concentrated yet fresh, with layers of Bing cherry, plum, and dark fruit framed by refined tannins and a firm backbone. Lively acidity brings balance and focus, extending across a long, lush finish.

From a vintage of exceptional quality, yielding wines with striking color, ripe flavors, and impressive structure. Cabernet Sauvignon from Les Collines Vineyard in the Walla Walla Valley brings refined tannins and vibrant acidity, while Weinbau Vineyard on the Wahluke Slope contributes richness and dark fruit character. Merlot strengthens the frame, Cabernet Franc layers blue and black fruit, and Petit Verdot lends depth, completing a blend that reflects both vineyard pedigree and varietal character.
