Penya Cotes Catalanes
Viognier 2017

“Tasting like a mini-Condrieu, the 2017 Côtés Catalanes Viognier offers loads of orange blossom, white flowers, and citrus notes in **a rounded, sexy, seamless style**. It has terrific purity, no hard edges and a great finish. **It’s an incredible value**. This cuvée is sourced from clay, limestone, and schist soils and spent four months on lees in cement tanks. It’s another remarkable value from importer Dan Kravitz.”
