Perusini Pinot Grigio 2017

Colli Orientali del Friuli

“Pale yellow straw. This is a crisp, aperitif style Pinot Grigio with a distinct and prominent mineral edge. It shows **white melon and a hint of lime along with chalky minerals that run from the nose to the crisp finish.** Its neutral, crisp character makes it the perfect match for oysters, sushi, and other raw and lightly prepared seafood. Made from hand harvested grapes grown at Monte S. Biagio in the hills of Gramogliano. Spends 6 months on the fine lees with no malo.”
