Perusini Ribolla Gialla 2018

*Colli Orientali del Friuli*

“Light yellow straw. The Ribolla Gialla is similar to the Pinot Grigio with its pronounced minerality, but it’s a more intense, flavorful wine.

**Aromas of flowers and herbs give way to flavors of nectarine and peach with a lemon edge.** The finish is long and pleasant. A wine that could be paired with a wide range of light fare; excellent with Julia Child chicken breast.”
