

92 POINTS VINOUS

Perusini Colli Orientali del Friuli
Ribolla Gialla 2018

“Luminous straw yellow. **Apple, pear, lavender, tangerine, and ripe lemon peel.** **White flowers and honey flavors are long and luscious but also very elegant.** Finishes saline, with sneaky concentration and complexity. Made with grapes harvested around mid-September (that date is noteworthy because the first day of harvest at Perusini was August 13) from five different plots that average more than 20 years of age.”
