

93 POINTS WINE ENTHUSIAST

Punset Barbaresco Riserva 'Campo Quadro' 2015

“Marina Marcarino’s organically farmed vineyards are a prized piece of nature in the Barbaresco region. This wine showcases her strengths as a grower and winemaker. Aromas of cherry jam, dried roses, fresh wild herbs and turned earth roll from the glass. **The wine has a power that shines across the palate like a lighthouse** showing that the mutual respect between grower and vine can create great wine. **Roasted plums, ground coffee, cracked pepper and licorice undulate across the palate,** all moving toward the savory and salty finish. Drink now–2050.”
