Baby Bear Syrah 2015

"Coming from the Colombia Valley and all Syrah, the 2015 Syrah Baby Bear spent 30 months in barrel prior to bottling. Saturated purple-colored (to the rim), with a **stunning bouquet of spiced plums, smoked blueberries, ground pepper**, and barbecued meat, this beauty hits the palate with full-bodied richness, sweet tannins, no hard edges, and a great finish. As always, **it's impeccably made and one serious wine.**"
