WINE MAKING PROCESS

This wine results from a rigorous selection of our best grapes Arinto, Azal and Trajadura and the perfect communion between technique and tradition. The grape crop is picked manually into small boxes. The grapes are destemmed and then pressed at low pressure. Fermentation takes place in temperature controlled stainless steel tanks. Before bottling, the wine is filtered and cold stabilized.

TASTING NOTES

“Raza” white is has bright citric color, very fresh wine, with a fruity and pleasing aroma, and with balanced acidity.

FOOD PAIRINGS

This wine is delicious served with salads, shellfish, fish or light meals.
