

# VINEPAIR'S 30 BEST SAUVIGNON BLANCS FOR 2024

**Sophie Bertin**

**Sauvignon Blanc 2022**

“This wine is a collaboration between Sancerre-based wine-grower and merchant Eric Louis and wine-maker Sophie Bertin. Sourced from just outside Sancerre, this is another great value Sauvignon Blanc, especially for those who seek out the more mineral-driven side of the grape. The palate has **soft notes of grapefruit, lime, and green apple with chalky minerality and a chiseled acidity.**”
