CHARDONNAY SONOMA COUNTY 2021

*Wine for everyday
enjoyment
and entertaining*

WHAT YOU'LL TASTE

Aromas of lemon peel, summer stone fruit, and Jasmine are followed by flavors of nectarines, green apple, and orange blossom. The palate is juicy and concentrated with an extended finish.

WHAT TO SERVE

This balanced and luscious chardonnay is effortlessly versatile. Pair with the classics, like roasted poultry or baked summer squash. Fresh seafood, like buttered crab, or Mussels Mariniere, play well with the rich, delicate flavors and the impression of sweetness from this wine.
