

LUMOS

WINE COMPANY

2022 Rudolfo Pinot Gris Willamette Valley

All of the grapes in the Lumos wines are from USDA and Oregon certified organic vineyards. Dai Crisp has been farming vineyards this way for more than 30 years. This philosophy of a natural approach with minimal intervention also drives the winemaking.

- 373 cases
- 13% abv
- 100% vegan - produced with no animal by-products
- No GMOs
- Certified Salmon Safe

Vineyard

Logsdon Ridge Vineyard is owned by the Rudolph family and known to our vineyard team as *Rudolfo*. This small 10-acre vineyard is planted entirely to Pinot Gris. Located just north of Corvallis, Oregon, it is a warm, low elevation site that ripens very early.

Vintage Notes

Our twenty-first vintage of Pinot Gris from Logsdon Ridge brings a beautiful expression of grapefruit pith, quince, white peach and chamomile. More savory than some years, hints of fennel obscure none of the freshness and drive that are the hallmarks of this wine.
