THE SOMMELIER COMPANY

Thomas Henry Sonoma
County Chardonnay 2023

“Hints of jasmine, mango and an intriguing whiff of sea breeze give the wine depth and interest. But the real focus is on structure, a balanced and **integrated marriage of fruit, oak and minerals** that entices with both sumptuousness and vivacity. The flavors are intense, bursting with **lemon, vanilla, and ginger at midpalate with good fruit persistence and a touch of salinity on the finish**, a sparkle like when salt hits the palate.”
