

MERCUREY 2022

VIGNERONS DE BUXY

ABOUT THIS WINE

Situated in the heart of wine-growing Burgundy, Vignerons de Buxy produces this Mercurey from selected vineyards in the Côte Chalonnaise. This powerful, meaty red wine is made from 100% Pinot Noir grapes, aged in oak barrels.

TASTING NOTES

Deep red with ruby glints, this Pinot Noir offers aromas of red fruits, transitioning to underbrush, tobacco, and leather. Firm yet supple tannins lead to a powerful, meaty finish.

VINIFICATION

12 months in French oak barrels, resulting in a deep red wine with a firm but elegant tannic structure.
