

11 Windisch Niersteiner Spiegelberg Riesling Kabinett 2018

"Anything But Riesling would be closer to the truth. Riesling is tart, acidic and confusing. We love its transparency, its ability to express nuances of soil type, its thrilling vivacity, balance and poise. These old vineyards in Nierstein with its deep red soil retains the heat, and its wines often show exotic fruit flavors and are known for their freshness. Kabinett is typically semi-sweet with crisp acidity. These grapes are hand-picked, then de-stemmed and gently pressed, which makes Windisch-Wines the most enjoyable to the fanatical Riesling fans."
