## WINE ENTHUSIAST

Domaine Yves Cheron  
Côtes du Rhône Les Dentelles 2022

“Black-cherry fruit leather meets violet, rose, and garrigue in a generous nose that is both refined and inviting. The palate is **silky yet layered, balancing dried currant, licorice, flint, and a subtle meaty tone against supple texture.** Sophisticated and complex, this is the kind of versatile bottle that impresses equally on casual game night or formal dinner. Serve at cellar temperature.”
